Every new year people look for and hope for a new start. They want to turn a new page, begin a new chapter in their life. If that describes you, then this series is for you. It's about "rebooting" your life, starting again — and getting it right. **Reboot** shows us how to develop new habits and priorities that will empower us to create a new life and a new future with Christ at the center. Each week's message will be taken from a story or a teaching from one of the gospels.
