SPRC News—Welcome Emily Eng and Pat Jamison

We welcome Emily Eng as our new Minister of Music. Emily is working on her PhD in conducting at the Hodgson School of Music at UGA. Emily is from New Hampshire and earned her bachelor's degree from Brandeis University and her master's degree from the New England Conservatory of Music. Emily plays cello, saxophone and enjoys singing. She has been a part of gospel choirs, orchestras, musical theater and varied musical ensembles. She is excited to join the ministry of Princeton UMC and share in God's vision through music.

We also welcome back, Pat Jamison, as our church pianist. Pat is well known to many of us from her past tenure as our church musician. She brings her joy of music and her musical gifts to Princeton UMC with much excitement and hopes for the future.

We will “officially” welcome Emily and Pat at our churchwide lunch on March 17, but don't wait until then to greet them with the warmth and fellowship that we are known for. *Welcome Emily and Pat!*

Ash Wednesday Service

March 6 at 6:30 PM.

Little gray crosses of ash smudged above the brow on Ash Wednesday mark the beginning of the Lenten season which lasts for forty days until Palm Sunday. The wearing of ashes on one's forehead represent the believer's attitude of repentance of sin and humility before God. It is also a reminder that you belong to God and that God loves you very much.

Make plans to join us to experience this powerful worship service.

Daytime Bible Study with Peter

We are starting a new Bible study following the life and ministry of Peter. Peter was a follower of Jesus, a solid supporter, a fair weathered friend, the Rock, bold and shaky, brave and scared....all wrapped up in one person. We will follow a video called the Footsteps of Peter produced by the BBC, that will reveal the places and people that Peter lived and worked with. It should be an interesting and revealing look at one of the fathers of our faith. We will begin on **Wednesday, March 13, at 10 AM in the Fellowship Hall**. The study will last 6-8 weeks and everyone is invited, so bring your neighbors and friends.
